Subpart B—Specific Program Provisions

§ 62.20 Professors and research scholars.

(a) *Introduction.* These regulations govern Exchange Visitor Program participants in the categories of professor and research scholar, except:

(1) Alien physicians in graduate medical education or training, who are governed by regulations set forth at § 62.27; and

(2) Short-term scholars, who are governed by regulations set forth at § 62.21.

(b) *Purpose.* The purpose of the Exchange Visitor Program, in part, is to foster the exchange of ideas between Americans and foreign nationals and to stimulate international collaborative teaching, lecturing and research efforts. The exchange of professors and

research scholars promotes the exchange of ideas, research, mutual enrichment, and linkages between research and educational institutions in the United States and foreign countries. It does so by providing foreign professors and research scholars the opportunity to engage in research, teaching and lecturing with their American colleagues, to participate actively in cross-cultural activities with Americans, and ultimately to share with their countrymen their experiences and increased knowledge of the United States and their substantive fields.

(c) *Designation.* The Department of State may, in its sole discretion, designate *bona fide* exchange visitor programs, which offer foreign nationals the opportunity to engage in research, teaching, lecturing, observing, or consulting at research institutions, corporate research facilities, museums, libraries, post-secondary accredited educational institutions, or similar types of institutions in the United States.

(d) *Visitor eligibility.* An individual may be selected for participation in the Exchange Visitor Program as a professor or research scholar subject to the following conditions:

(1) The participant must not be a candidate for a tenure track position;

(2) The participant has not been physically present in the United States as a nonimmigrant pursuant to the provisions of 8 U.S.C. 1101(a)(15)(J) for all or part of the twelve-month period immediately proceeding the date of program commencement set forth on his or her Form DS-2019, unless:

(i) The participant is transferring to the sponsor's program pursuant to provisions set forth in § 62.42;

(ii) The participant's presence in the United States was of less than six months duration; or

(iii) The participant's presence in the United States was pursuant to a short-term scholar exchange activity as authorized by § 62.21; and

(3) The participant is not subject to the prohibition against repeat participation set forth at § 62.20(i)(2).

(e) *Issuance of Form DS-2019.* The Form DS-2019 must be issued only after the professor or research scholar has been accepted by the institution where

he or she will participate in an exchange visitor program.

(f) *Location of the exchange.* Professors or research scholars must conduct their exchange activity at the site(s) of activity identified in SEVIS, which may be either the location of the exchange visitor program sponsor or the site of a third party facilitating the exchange with permission of the Responsible Officer. An exchange visitor may also engage in activities at other locations if such activities constitute occasional lectures or consultations permitted by paragraph (g) of this section. All such sites of activity must be entered into SEVIS while the exchange visitor's SEVIS record is in Initial or Active status.

(g) *Occasional lectures or consultations.* Professors and research scholars may participate in occasional lectures and short-term consultations, if authorized to do so by his or her sponsor. Such lectures and consultations must be incidental to the exchange visitor's primary program activities. If wages or other remuneration are received by the exchange visitor for such activities, the exchange visitor must act as an independent contractor, as such term is defined in 8 CFR 274a.1(j), and the following criteria and procedures must be satisfied:

(1) *Criteria.* The occasional lectures or short-term consultations must:

(i) Be directly related to the objectives of the exchange visitor's program;

(ii) Be incidental to the exchange visitor's primary program activities;

(iii) Not delay the completion date of the exchange visitor's program; and

(iv) Be documented in SEVIS.

(2) *Procedures.* (i) To obtain authorization to engage in occasional lectures or short-term consultations involving wages or other remuneration, the exchange visitor must present to the responsible officer:

(A) A letter from the offeror setting forth the terms and conditions of the offer to lecture or consult, including the duration, number of hours, field or subject, amount of compensation, and description of such activity; and

(B) A letter from the exchange visitor's department head or supervisor

recommending such activity and explaining how the activity would enhance the exchange visitor's program.

(ii) The responsible officer must review the letters required in paragraph (g)(2)(i) of this section and make a written determination whether such activity is warranted, will not interrupt the exchange visitor's original objective, and satisfies the criteria set forth in paragraph (g)(1) of this section.

(h) *Change of activity.* At the discretion and approval of the responsible officer, professors may freely engage in research and research scholars may freely engage in teaching and lecturing. Because these activities are intertwined, such a change of activity is not considered a change of category necessitating formal approval by the Department of State and does not require the issuance of a new Form DS-2019 to reflect a change in category. Such change in activity does not extend the exchange visitor's maximum duration of program participation.

(i) *Duration of participation.* The permitted duration of program participation for a professor or research scholar is as follows:

(1) *General limitation.* A professor or research scholar may be authorized to participate in the Exchange Visitor Program for the length of time necessary to complete his or her program, provided such time does not exceed five years. The five-year period of permitted program participation is continuous and begins with the initial program begin date documented in SEVIS or the date such status was acquired via a petition submitted and approved by the Department of Homeland Security (DHS) as documented in SEVIS and ends five years from such date.

(2) *Repeat participation.* Exchange participants who have entered the United States under the Exchange Visitor Program as a professor or research scholar, or who have acquired such status while in the United States, and who have completed his or her program are not eligible for participation as a professor or research scholar for a period of two years following the end date of such program participation as identified in SEVIS.

(3) *Extensions.* A responsible officer may not extend the period of program

duration beyond the five-year period of maximum program duration authorized for professor and research scholar participants. The Department may, in its sole discretion, authorize an extension beyond the permitted five-year period, as submitted by a "G-7" program sponsor, upon successful demonstration of the following:

(i) The participant for whom an extension is requested is engaged in a research project under the direct sponsorship of a Federally Funded National Research and Development Center ("FFNRDC") or a U.S. Federal Laboratory;

(ii) The FFNRDC or U.S. Federal Laboratory requesting the extension on behalf of the participant has determined, through peer review, that the participant's continued involvement in the project is beneficial to its successful conclusion; and

(iii) The Secretary of the Department of Homeland Security has determined in his/her discretion that the extension may be approved;

(iv) The extension request is for not more than five years.

[70 FR 28817, May 19, 2005; 70 FR 36344, June 23, 2005]

§ 62.21 Short-term scholars.

(a) *Introduction.* These regulations govern scholars coming to the United States for a period of up to four months to lecture, observe, consult, and to participate in seminars, workshops, conferences, study tours, professional meetings, or similar types of educational and professional activities.

(b) *Purpose.* The Exchange Visitor Program promotes the interchange of knowledge and skills among foreign and American scholars. It does so by providing foreign scholars the opportunity to exchange ideas with their American colleagues, participate in educational and professional programs, confer on common problems and projects, and promote professional relationships and communications.

(c) *Designation.* The Department of State may, in its sole discretion, designate *bona fide* programs which offer foreign nationals the opportunity to engage in short-term visits for the purpose of lecturing, observing, consulting, training, or demonstrating

special skills at research institutions, museums, libraries, post-secondary accredited educational institutions, or similar types of institutions.

(d) *Visitor eligibility.* A person participating in the Exchange Visitor Program under this section shall satisfy the definition of a short-term scholar as set forth in § 62.4.

(e) *Cross-cultural activities and orientation.* Due to the nature of such exchanges, sponsors of programs for short-term scholars shall be exempted from the requirements of providing cross-cultural activities and orientation as set forth in § 62.8(d) and § 62.10(c). However, sponsors are encouraged to provide such programs for short-term scholars whenever appropriate.

(f) *Location of exchange.* The short-term scholar shall participate in the Exchange Visitor Program at the conferences, workshops, seminars, or other events or activities stated on his or her Form DS-2019. A participant may also lecture or consult at institutions not listed on the Form DS-2019 if his or her Responsible Officer issues a written authorization of such activity. Such written authorization must be attached to the participant's Form DS-2019.

(g) *Duration of participation.* The short-term scholar shall be authorized to participate in the Exchange Visitor Program for the length of time necessary to complete the program, which time shall not exceed six months. Programs under this section are exempted from § 62.8(b) governing the minimum duration of a program. Extensions beyond the duration of participation are not permitted under this category.

§ 62.22 Trainees and interns.

(a) *Introduction.* These regulations govern Exchange Visitor Programs under which foreign nationals have the opportunity to receive training in the United States. These regulations also establish a new internship program under which foreign nationals who:

(1) Are currently enrolled in and pursuing studies at a degree- or certificate-granting post-secondary academic

institution outside the United States or

(2) Graduated from such an institution no more than 12 months prior to their exchange visitor program begin date may enter the United States to obtain work-based learning to build on their academic experience by developing practical skills. Regulations dealing with training opportunities for certain foreign students who are studying at post-secondary accredited educational institutions in the United States are located at § 62.23 ("College and University Students"). Regulations governing alien physicians in graduate medical education or training are located at § 62.27 ("Alien Physicians").

(b) *Purpose.* (1)(i) The primary objectives of the programs offered under these regulations are to enhance the skills and expertise of exchange visitors in their academic or occupational fields through participation in structured and guided work-based training and internship programs and to improve participants' knowledge of American techniques, methodologies, and expertise. Such training and internship programs are also intended to increase participants' understanding of American culture and society and to enhance Americans' knowledge of foreign cultures and skills through an open interchange of ideas between participants and their American associates. A key goal of the Fulbright-Hays Act, which authorizes these programs, is that participants will return to their home countries and share their experiences with their countrymen.

(ii) Exchange Visitor Program training and internship programs must not be used as substitutes for ordinary employment or work purposes; nor may they be used under any circumstances to displace American workers. The requirements in these regulations for trainees are designed to distinguish between *bona fide* training, which is permitted, and merely gaining additional work experience, which is not permitted. The requirements in these regulations for interns are designed to distinguish between a period of work-based learning in the intern's academic field, which is permitted, and unskilled labor, which is not.

(2) In addition, a specific objective of the new internship program is to provide foreign nationals who are currently enrolled in and pursuing studies at a degree- or certificate-granting post-secondary academic institution or graduated from such an institution no more than 12 months prior to their exchange visitor program begin date a period of work-based learning to allow them to develop practical skills that will enhance their future careers. Bridging the gap between formal education and practical work experience and gaining substantive cross-cultural experience are major goals in educational institutions around the world. By providing training opportunities for current foreign students and recent foreign graduates at formative stages of their development, the U.S. Government will build partnerships, promote mutual understanding, and develop networks for relationships that will last through generations as these foreign nationals move into leadership roles in a broad range of occupational fields in their own societies. These results are closely tied to the goals, themes, and spirit of the Fulbright-Hays Act.

(c) *Designation.* (1) The Department may, in its sole discretion, designate as sponsors entities meeting the eligibility requirements set forth in Subpart A of 22 CFR Part 62 and satisfying the Department that they have the organizational capacity successfully to administer and facilitate training and internship programs.

(2) Sponsors must provide training and internship programs only in the occupational category or categories for which the Department has designated them as sponsors. The Department will designate training and internship programs in any of the following occupational categories:

- (i) Agriculture, Forestry, and Fishing;
- (ii) Arts and Culture;
- (iii) Aviation;
- (iv) Construction and Building Trades;
- (v) Education, Social Sciences, Library Science, Counseling and Social Services;
- (vi) Health Related Occupations;
- (vii) Hospitality and Tourism;

(viii) Information Media and Communications;

(iv) Management, Business, Commerce and Finance;

(x) Public Administration and Law; and

(xi) The Sciences, Engineering, Architecture, Mathematics, and Industrial Occupations.

(d) *Selection criteria.* (1) In addition to satisfying the general requirements set forth in § 62(10)(a), sponsors must ensure that trainees and interns have verifiable English language skills sufficient to function on a day-to-day basis in their training environment. English language proficiency must be verified by a recognized English language test, by signed documentation from an academic institution or English language school, or through an interview conducted by the sponsor, or an in-person, by videoconference, or by web camera.

(2) Sponsors of training programs must verify that all potential trainees are foreign nationals who have either a degree or professional certificate from a foreign post-secondary academic institution and at least one year of prior related work experience in their occupational field acquired outside the United States or five years of work experience outside the United States in their occupational field.

(3) Sponsors of internship programs must verify that all potential interns are foreign nationals who are currently enrolled in and pursuing studies at a degree-or certificate-granting post-secondary academic institution outside the United States or graduated from such an institution no more than 12 months prior to their exchange visitor program begin date.

(e) *Issuance of Forms DS-2019.* In addition to the requirements set forth in Subpart A, sponsors must ensure that:

(1) They do not issue Forms DS-2019 to potential participants in training and internship programs until they secure placements for trainees or interns and complete and secure requisite signatures on Form DS-7002, Training/Internship Placement Plan (T/IPP or Forms DS-7002);

(2) Trainees and interns have sufficient finances to support themselves for their entire stay in the United

States, including housing and living expenses; and

(3) The training and internship programs expose participants to American techniques, methodologies, and expertise and expand upon the participants' existing knowledge and skills. Programs must not duplicate the participants' prior work experience or training received elsewhere.

(f) *Obligations of training and internship program sponsors.* (1) Sponsors designated by the Department to administer training and internship programs must:

(i) Ensure that trainees and interns are appropriately selected, placed, oriented, supervised, and evaluated;

(ii) Be available to trainees and interns (and host organizations, as appropriate) to assist as facilitators, counselors, and information resources;

(iii) Ensure that training and internship programs provide a balance between the trainees' and interns' learning opportunities and their contributions to the organizations in which they are placed;

(iv) Ensure that the training and internship programs are full-time (minimum of 32 hours a week); and

(v) Ensure that any host organizations and third parties involved in the recruitment, selection, screening, placement, orientation, evaluation for, or the provision of training and internship programs are sufficiently educated on the goals, objectives, and regulations of the Exchange Visitor Program and adhere to all regulations set forth in this Part as well as all additional terms and conditions governing Exchange Visitor Program administration that the Department may from time to time impose.

(2) Sponsors must ensure that they or any host organization acting on the sponsor's behalf:

(i) Have sufficient resources, plant, equipment, and trained personnel available to provide the specified training and internship program;

(ii) Provide continuous on-site supervision and mentoring of trainees and interns by experienced and knowledgeable staff;

(iii) Ensure that trainees and interns obtain skills, knowledge, and competencies through structured and guid-

ed activities such as classroom training, seminars, rotation through several departments, on-the-job training, attendance at conferences, and similar learning activities, as appropriate in specific circumstances;

(iv) Conduct periodic evaluations of trainees and interns, as set forth in § 62.22(l);

(v) Do not displace full-or part-time or temporary or permanent American workers or serve to fill a labor need and ensure that the positions that trainees and interns fill exist solely to assist trainees and interns in achieving the objectives of their participation in training and internship programs; and

(vi) Certify that training and internship programs in the field of agriculture meet all the requirements of the Fair Labor Standards Act, as amended (29 U.S.C. 201 *et seq.*) and the Migrant and Seasonal Agricultural Worker Protection Act, as amended (29 U.S.C. 1801 *et seq.*).

(3) Sponsors or any third parties acting on their behalf must conduct a thorough screening of potential trainees or interns, including a documented interview in-person, by video-conference, or by web camera.

(4) Sponsors must retain all documents referred to in § 62.22(f) for at least three years following the completion of all training and internship programs. Documents and any requisite signatures may be retained in either hard copy or electronic format.

(g) *Use of third parties—*(1) *Sponsors use of third parties.* Sponsors may engage third parties (including, but not limited to host organizations, partners, local businesses, governmental entities, academic institutions, and other foreign or domestic agents) to assist them in the conduct of their designated training and internship programs. Such third parties must have an executed written agreement with the sponsor to act on behalf of the sponsor in the conduct of the sponsor's program. This agreement must outline the full relationship between the sponsor and third party on all matters involving the administration of their exchange visitor program. A sponsor's use of a third party does not relieve the sponsor of its obligations to comply with and to

ensure third party compliance with Exchange Visitor Program regulations. Any failure by any third party to comply with the regulations set forth in this Part or with any additional terms and conditions governing Exchange Visitor Program administration that the Department may from time to time impose will be imputed to the sponsor.

(2) *Screening and vetting third parties operating outside the United States.* U.S. sponsors must ascertain that third parties operating outside the United States are legitimate entities within the context of their home country environment. For third parties that operate as businesses, sponsors must obtain relevant home country documentation, such as business registration or certification, and Dun & Bradstreet identification numbers. Written agreements between sponsors and third parties operating outside the United States must include an annually updated price list for training and internship programs offered by each third party, and must ensure that such overseas third parties are sufficiently trained in all aspects of the programs they represent, including the regulations set forth in this Part.

(3) *Screening and vetting host organizations.* Sponsors must adequately screen all potential host organizations at which a trainee or intern will be placed by obtaining the following information:

(i) The Dun & Bradstreet identification number (unless the host organization is an academic institution, government entity, or family farm);

Placements at academic institutions or at federal, state, or local government offices are

specifically excluded from this requirement. The purpose of the site visits is for the sponsors to ensure that host organizations possess and maintain the ability and resources to provide structured and guided work-based learning experiences according to the individualized T/PPs and that host organizations understand and meet their obligations set forth in this Part.

(h) *Host organization obligations.* Sponsors must ensure that:

(i) Host organizations sign a completed Form DS-7002 to verify that all placements are appropriate and consistent with the objectives of the trainees or interns as outlined in their program applications and as set forth in their T/PPs. All parties involved in internship programs should recognize that interns are seeking entry-level training and experience. Accordingly, all placements must be tailored to the skills and experience level of the individual intern;

(i) Host organizations notify sponsors promptly of any concerns about, changes in, or deviations from T/PPs during training and internship programs and contact sponsors immediately in the event of any emergency involving trainees or interns;

(ii) Host organizations abide by all Federal, State, and Local occupational health and safety laws; and

(iii) Host organizations abide by all program rules and regulations set forth by the sponsor, including the completion of all mandatory program evaluations.

(2) [Reserved]

(i) *Training/internship placement plan (Form DS-7002).* (1) Sponsors must fully complete and obtain requisite signatures for a Form DS-7002 for each trainee or intern before issuing a Form DS-2019. Sponsors must provide each signatory an executed copy of the Form DS-7002. (ii) Detail the knowledge, skills, or techniques to be imparted to the trainee or intern (for each phase or component, if applicable); and

(iii) Describe the methods of performance evaluation and the supervision for each phase or component, if applicable.

(3) A T/IPP for trainees must be divided into specific and various phases or components, and for each phase or component must

(i) Describe the methodology of training and

(ii) Provide a chronology or syllabus.

(4) A T/IPP for interns must:

(i) Describe the role of the intern in the organization and, if applicable, identify various departments or functional areas in which the intern will work and

(ii) Identify the specific tasks and activities the intern will complete.

(j) *Program exclusions.* Sponsors designated by the Department to administer training and internship programs must not:

(1) Place trainees or interns in unskilled or casual labor positions, in positions that require or involve child care or elder care, or in clinical or any other kind of work that involves patient care or contact, including any work that would require trainees or interns to provide therapy, medication, or other clinical or medical care (e.g., sports or physical therapy, psychological counseling, nursing, dentistry, veterinary medicine, social work, speech therapy, or early childhood education);

Except as noted below, the maximum duration of a training program is 18 months, and the maximum duration of an internship programs is 12 months. For training programs in the field of agriculture and in the "Hospitality and Tourism" occupational category, the maximum duration is 12 months. Training programs in the field of agriculture are permitted to last a total of 18 months, if in development of the T/IPP the additional six months of the program consists of classroom participation and studies. Program extensions are permitted within maximum durations as long as the need for an extended training and internship program is documented by the full completion and execution of a new Form DS-7002.

(l) *Evaluations.* In order to ensure the quality of training and internship programs, sponsors must develop procedures for evaluating all trainees and interns. All required evaluations must be completed prior to the conclusion of a training and internship program, and both the trainees and interns and their immediate supervisors must sign the evaluation forms. For programs exceeding six months' duration, at a minimum, midpoint and concluding evaluations are required. For programs of six months or less, at a minimum, concluding evaluations are required. Sponsors must retain trainee and intern evaluations (electronic or hard copy) for a period of at least three years following the completion of each training and internship program.

(m) *Issuance of certificate of eligibility for exchange visitor (J-1) status.* Sponsors must not deliver or cause to be delivered any Certificate of Eligibility for Exchange Visitor (J-1) Status (Form DS-2019) to potential trainees or interns unless the individualized Form DS-7002 required by § 62.22(i) has been completed and signed by all requisite parties.

(n) *Additional training and internship program participation.* Foreign nationals who enter the United States under the Exchange Visitor Program to participate in training and internship programs are eligible to participate in additional training and internship programs under certain conditions. For both trainees and interns, additional training and internship programs must address the development of more advanced skills or a different field of expertise. Interns may participate in additional internship programs as long as they maintain student status or begin a new internship program within 12 months of graduation. Trainees are eligible for additional training programs after a period of at least two years residency outside the United States following their initial training program. Participants who have successfully completed internship programs and no longer meet the selection criteria for internship programs may participate in a training program after a two-year period of residency outside the United States following their internship program. As long as participants meet the selection criteria and fulfill these conditions, there is no limit to the number of times they may participate in a training and internship program.

(4) *Use of third parties.* A sponsor may engage a third party (including, but not limited to a host organization, partner, local business, governmental entity, academic institution, or any other foreign or domestic agent) to assist it in the conduct of its designated student internship program. Such a third party must have an executed written agreement with the sponsor to act on behalf of the sponsor in the conduct of the sponsor's program. This agreement must outline the full relationship between the sponsor and third party on all matters involving the administration of its exchange visitor

program. A sponsor's use of a third party does not relieve the sponsor of its obligations to comply with and to ensure third party compliance with Exchange Visitor Program regulations. Any failure by any third party to comply with the regulations set forth in this Part or with any additional terms and conditions governing Exchange Visitor Program administration that the Department may from time to time impose will be imputed to the sponsor.

A sponsor must retain student intern evaluations (electronic or hard copy) for a period of at least three years following the completion of each student internship program.

(6) *Employment, wages, or remuneration.* A student intern is permitted to engage in full-time employment during the student internship program as outlined on his or her T/IPP, with or without wages or other compensation. (7) *Training/Internship Placement Plan (Form DS-7002).* (i) A sponsor must fully complete and obtain requisite signatures for a Form DS-7002 for each student intern before issuing a Form DS-2019. A sponsor must provide to each signatory an executed copy of the Form DS-7002. Upon request, a student intern must present his or her fully executed Form DS-7002 to a Consular Official during the visa interview.

(ii) To further distinguish between work-based learning for student interns, which is permitted, and ordinary

employment or unskilled labor which is not, a T/IPP must:

(A) State the specific goals and objectives of the student internship program (for each phase or component, if applicable);

(B) Detail the knowledge, skills, or techniques to be imparted to the student intern (for each phase or component, if applicable); and

(C) Describe the methods of performance evaluation and the frequency of supervision (for each phase or component, if applicable).

(8) *Program exclusions.* A sponsor designated by the Department to administer a student internship program must:

(i) Not place a student intern in an unskilled or casual labor position, in a position that requires or involves child care or elder care, a position in the field of aviation, or, in clinical positions or engaging in any other kind of work that involves patient care or contact, including any work that would require student interns to provide therapy, medication, or other clinical or medical care (e.g., sports or physical therapy, psychological counseling, nursing, dentistry, veterinary medicine, social work, speech therapy, or early childhood education);

(ii) Not place a student intern in a position, occupation, or business that could bring the Exchange Visitor Program or the Department into notoriety or disrepute;

§ 62.24 Teachers.

(a) *Purpose.* These regulations govern exchange visitors who teach full-time in primary and secondary accredited educational institutions. Programs under this section promote the interchange of American and foreign teachers in public and private schools and the enhancement of mutual understanding between people of the United States and other countries. They do so by providing foreign teachers opportunities to teach in primary and secondary accredited educational institutions in the United States, to participate actively in cross-cultural activities with Americans in schools and communities, and to return home ultimately to share their experiences and their increased knowledge of the United States. Such exchanges enable visitors to understand better American culture, society, and teaching practices at the primary and secondary levels, and enhance American knowledge of foreign cultures, customs, and teaching approaches.

(b) *Designation.* The Department of State may, in its discretion, designate *bona fide* programs satisfying the objectives in section (a) above as exchange visitor programs in the teacher category.

(c) *Visitor eligibility.* A foreign national shall be eligible to participate in an exchange visitor program as a full-time teacher if the individual:

- (4) Seeks to come to the United States for the purpose of full-time teaching at a primary or secondary accredited educational institution in the United States; and
- (5) Has a minimum of three years of teaching or related professional experience.

(d) *Visitor selection.* Sponsors shall adequately screen teachers prior to accepting them for the program. Such screening, in addition to the requirements of § 62.10(a), shall include:

(1) Evaluating the qualifications of the foreign applicants to determine whether the criteria set forth in paragraph (c) of this section are satisfied; and

(2) Securing references from colleagues and current or former employers, attesting to the teachers' good reputation, character and teaching skills.

(e) *Teaching position.* Prior to the issuance of the Form DS-2019, the exchange visitor shall receive a written offer and accept in writing of a teaching position from the primary or secondary accredited educational institution in which he or she is to teach. Such position shall be in compliance with any applicable collective bargaining agreement, where one exists. The exchange visitor's appointment to a position at a primary or secondary accredited educational institution shall be temporary, even if the teaching position is permanent.

(f) *Program disclosure.* Before the program begins, the sponsor shall provide the teacher, in addition to what is required in § 62.10(b), with:

- (1) Information on the length and location(s) of his or her exchange visitor program;
- (2) A summary of the significant components of the program, including a written statement of the teaching requirements and related professional obligations; and
- (3) A written statement which clearly states the compensation, if any, to be paid to the teacher and any other financial arrangements in regards to the exchange visitor program.

(g) *Location of the exchange.* The teacher shall participate in an exchange visitor program at the primary or secondary accredited educational institution(s) listed on his or her Form DS-2019 and at locations where the institution(s) are involved in official school activities (e.g., school field trips and teacher training programs).

(h) *Duration of participation.* The teacher shall be authorized to participate in the Exchange Visitor Program for the length of time necessary to complete the program, which shall not exceed three years.

§ 62.25 Secondary school students.

(b) *Program sponsor eligibility.* Eligibility for designation as a secondary school student exchange visitor program sponsor is limited to organizations:

(1) Require all participants to be enrolled and participating in a full course of study at an accredited educational institution;

(2) Allow entry of participants for not less than one academic semester (or quarter equivalency) nor more than two academic semesters (or quarter equivalency) duration; and

(3) Be conducted on a U.S. academic calendar year basis, except for students from countries whose academic year is opposite that of the United States. Exchange students may begin in the second semester of a U.S. academic year if specifically permitted to do so, in writing, by the school in which the exchange visitor is enrolled. Both the host family and school must be notified prior to the exchange student's arrival in the United States that the placement is for either an academic semester or year, or calendar year program.

(d) *Program administration.* Sponsors must ensure that all officers, employees, representatives, agents, and volunteers acting on their behalf:

Such exchanges also enable visitors to better understand American culture and society and enhance American knowledge of foreign cultures and skills. This category is intended for exchanges with experts in such areas, for example, as mass media communication, environmental science, youth leadership, international educational exchange, museum exhibitions, labor law, public administration, and library science. This category is not intended for experts covered by the exchange visitor categories listed in paragraphs (a) (1) through (3) of this section.

- (3) A written statement which clearly states the stipend, if any, to be paid to the specialist.

Duration shall be determined by the Secretary of State of the Department of State at the time of the alien physician's entry into the United States. Such determination shall be based on criteria established in coordination with the Secretary of Health and Human Services and which take into consideration the requirements of the various medical specialty boards as evidenced in the Director of Medical Specialties published by Marquis Who's

Who for the American Board of Medical Specialties.

(2) Duration of participation is limited to seven years unless the alien physician has demonstrated to the satisfaction of the Secretary of State that the country to which the alien physician will return at the end of additional specialty education or training has an exceptional need for an individual with such additional qualification.

§ 62.30 Camp counselors.

(a) *Introduction.* In order to promote diverse opportunities for participation in educational and cultural exchange programs, the Department of State designates exchange sponsors to facilitate the entry of foreign nationals to serve as counselors in U.S. summer camps. These programs promote international understanding by improving American knowledge of foreign cultures while enabling foreign participants to increase their knowledge of American culture. The foreign participants are best able to carry out this objective by serving as counselors *per se*, that is, having direct responsibility for supervision of groups of American youth and of activities that bring them into interaction with their charges. While it is recognized that some non-counseling chores are an essential part of camp life for all counselors, this program is not intended to assist American camps in bringing in foreign nationals to serve as administrative personnel, cooks, or menial laborers, such as dishwashers or janitors.

(b) *Participant eligibility.* Participation in camp counselor exchange programs is limited to foreign nationals who:

- (1) Are at least 18 years of age;
- (2) Are *bona fide* youth workers, students, teachers, or individuals with specialized skills; and

(i) Forms DS-2019 should be:

(A) Issued to show continued authorized stay without interruption;

(3) The decision of the Office is the final Department decision with regard to lesser sanctions in paragraphs (b)(1)(i) through (iv) of this section.

(c) *Suspension.* (1) Upon a finding that a sponsor has committed a serious act of omission or commission which has or could have the effect of endangering the health, safety, or welfare of an exchange visitor, or of damaging the national security interests of the United States, the Office may serve the sponsor with written notice of its decision to suspend the designation of the sponsor's program for a period not to exceed one hundred twenty (120) days.

Such notice must specify the grounds for the sanction and the effective date thereof, advise the sponsor of its right to oppose the suspension, and identify the procedures for submitting a statement of opposition thereto. Suspension under this paragraph need not be preceded by the imposition of any other sanction or notice.

(2)(i) Within five (5) days after service of such notice, the sponsor may submit to the Principal Deputy Assistant Secretary for Educational and Cultural Affairs (Principal Deputy Assistant Secretary, or PDAS) a statement in opposition to the Office's decision. Such statement may not exceed 20 pages in length, double-spaced and, if appropriate, may include additional documentary material. A sponsor shall include with all documentary material an index of the documents and a summary of the relevance of each document presented. The submission of a statement in opposition to the Office's decision will not serve to stay the effective date of the suspension.

(ii) Within five (5) days after receipt of, and upon consideration of, such opposition, the Principal Deputy Assistant Secretary shall confirm, modify, or withdraw the suspension by serving the sponsor with a written decision. Such decision must specify the grounds therefore, and advise the sponsor of the procedures for requesting review of the decision.

(iii) All materials the sponsor submits will become a part of the sponsor's file with the Office.

(3) The procedures for review of the decision of the Principal Deputy Assistant Secretary are set forth in paragraphs (d)(3) and (4), (g), and (h) of this section, except that the submission of a request for review will not serve to stay the suspension.

(d) *Revocation of designation.* (1) Upon a finding of any act or omission set forth at paragraph (a) of this section, the Office may serve a sponsor with not less than thirty (30) days' written notice of its intent to revoke the sponsor's Exchange Visitor Program designation. Such notice must specify the grounds for the proposed sanction and its effective date, advise the sponsor of its right to oppose the proposed sanction, and identify the procedures for

submitting a statement of opposition thereto. Revocation of designation under this paragraph need not be preceded by the imposition of any other sanction or notice.

(2)(i) Within ten (10) days after service of such written notice of intent to revoke designation, the sponsor may submit to the Principal Deputy Assistant Secretary a statement in opposition to or mitigation of the proposed sanction, which may include a request for a meeting.

(ii) The submission of such statement will serve to stay the effective date of the proposed sanction pending the decision of the Principal Deputy Assistant Secretary.

(iii) The Principal Deputy Assistant Secretary shall provide a copy of the statement in opposition to or mitigation of the proposed sanction to the Office. The Office shall submit a statement in response, and shall provide the sponsor with a copy thereof.

(iv) A statement in opposition to or mitigation of the proposed sanction, or statement in response thereto, may not exceed 25 pages in length, double-spaced and, if appropriate, may include additional documentary material. Any additional documentary material may include an index of the documents and a summary of the relevance of each document presented.

(v) Upon consideration of such statements, the Principal Deputy Assistant Secretary shall modify, withdraw, or confirm the proposed sanction by serving the sponsor with a written decision. Such decision shall specify the grounds therefor, identify its effective date, advise the sponsor of its right to request a review, and identify the procedures for requesting such review.

(vi) All materials the sponsor submits will become a part of the sponsor's file with the Office.

(3) Within ten (10) days after service of such written notice of the decision of the Principal Deputy Assistant Secretary, the sponsor may submit a request for review with the Principal Deputy Assistant Secretary. The submission of such request for review will serve to stay the effective date of the decision pending the outcome of the review.

(4) Within ten (10) days after receipt of such request for review, the Department shall designate a panel of three Review Officers pursuant to paragraph (g) of this section, and the Principal Deputy Assistant Secretary shall forward to each panel member all notices, statements, and decisions submitted or provided pursuant to the preceding paragraphs of paragraph (d) of this section. Thereafter, the review will be conducted pursuant to paragraphs (g) and (h) of this section.

(e) *Denial of application for redesignation.* Upon a finding of any act or omission set forth at paragraph (a) of this section, the Office may serve a sponsor with not less than thirty (30) days' written notice of its intent to deny the sponsor's application for redesignation. Such notice must specify the grounds for the proposed sanction and its effective date, advise the sponsor of its right to oppose the proposed sanction, and identify the procedures for submitting a statement of opposition thereto. Denial of redesignation under this section need not be preceded by the imposition of any other sanction or notice. The procedures for opposing a proposed denial of redesignation are set forth in paragraphs (d)(2), (d)(3), (d)(4), (g), and (h) of this section.

(f) *Responsible officers.* The Office may direct a sponsor to suspend or revoke the appointment of a responsible officer or alternate responsible officer for any of the reasons set forth in paragraph (a) of this section. The procedures for suspending or revoking a responsible officer or alternate responsible officer are set forth at paragraphs (d), (g), and (h) of this section.

(g) *Review officers.* A panel of three Review Officers shall hear a sponsor's request for review pursuant to paragraphs (c), (d), (e), and (f) of this section. The Under Secretary of State for Public Diplomacy and Public Affairs shall designate one senior official from an office reporting to him/her, other than from the Bureau of Educational and Cultural Affairs, as a member of the Panel. The Assistant Secretary of State for Consular Affairs and the Legal Adviser shall each designate one senior official from their bureaus as members of the Panel.

(h) *Review.* The Review Officers may affirm, modify, or reverse the sanction imposed by the Principal Deputy Assistant Secretary. The following procedures shall apply to the review:

(1) Upon its designation, the panel of Review Officers shall promptly notify the Principal Deputy Assistant Secretary and the sponsor in writing of the identity of the Review Officers and the address to which all communications with the Review Officers shall be directed.

(2) Within fifteen (15) days after service of such notice, the sponsor may submit to the Review Officers four (4) copies of a statement identifying the grounds on which the sponsor asserts that the decision of the Principal Deputy Assistant Secretary should be reversed or modified. Any such statement may not exceed 25 pages in length, double-spaced; and any attachments thereto shall not exceed 50 pages. A sponsor shall include with all attachments an index of the documents and a summary of the relevance of each document presented. The Review Officers shall transmit one (1) copy of any such statement to the Principal Deputy Assistant Secretary, who shall, within fifteen (15) days after receipt of such statement, submit four (4) copies of a statement in response. Any such statement may not exceed 25 pages in length, double-spaced; and any attachments thereto shall not exceed 50 pages. The Principal Deputy Assistant Secretary shall include with all attachments an index of the documents and a summary of the relevance of each document presented. The Review Officers shall transmit one (1) copy of any such statement to the sponsor. No other submissions may be made unless specifically authorized by the Review Officers.

(3) If the Review Officers determine, in their sole discretion, that a meeting for the purpose of clarification of the written submissions should be held, they shall schedule a meeting to be held within twenty (20) days after the receipt of the last written submission. The meeting will be limited to no more than two (2) hours. The purpose of the meeting will be limited to the clarification of the written submissions. No

transcript may be taken and no evidence, either through documents or by witnesses, will be received. The sponsor and the representative of the Principal Deputy Assistant Secretary may attend the meeting on their own behalf and may be accompanied by counsel.

(4) Following the conclusion of the meeting, or the submission of the last written submission if no meeting is held, the Review Officers shall promptly review the submissions of the sponsor and the Principal Deputy Assistant Secretary, and shall issue a signed written decision within thirty (30) days, stating the basis for their decision. A copy of the decision will be delivered to the Principal Deputy Assistant Secretary and the sponsor.

(5) If the Review Officers decide to affirm or modify the sanction, a copy of their decision shall also be delivered to the Department of Homeland Security and to the Bureau of Consular Affairs of the Department of State. The Office, at its discretion, may further distribute the decision.

(6) Unless otherwise indicated, the sanction, if affirmed or modified, is effective as of the date of the Review Officers' written decision, except in the case of suspension of program designation, which is effective as of the date specified pursuant to paragraph (c) of this section.

(i) *Effect of suspension, revocation, or denial of redesignation.* A sponsor against which an order of suspension, revocation, or denial of redesignation has become effective may not thereafter issue any Certificate of Eligibility for Exchange Visitor (J-1) Status (Form DS-2019) or advertise, recruit for, or otherwise promote its program. Under no circumstances shall the sponsor facilitate the entry of an exchange visitor into the United States. An order of suspension, revocation, or denial of redesignation will not in any way diminish or restrict the sponsor's legal or financial responsibilities to existing program applicants or participants.

(j) *Miscellaneous—(1) Computation of time.* In computing any period of time prescribed or allowed by these regulations, the day of the act or event from which the designated period of time begins to run is not included. The last

day of the period so computed is included unless it is a Saturday, a Sunday, or a Federal legal holiday, in which event the period runs until the end of the next day which is not one of the aforementioned days. When the period of time prescribed or allowed is fewer than eleven (11) days, intermediate Saturdays, Sundays, or Federal legal holidays are excluded in the computation.

(2) *Service of notice to sponsor.* Service of notice to a sponsor pursuant to this section may be accomplished through written notice by mail, delivery, or facsimile, upon the president, chief executive officer, managing director, General Counsel, responsible officer, or alternate responsible officer of the sponsor.

Subpart E—Termination and Revocation of Programs

SOURCE: 72 FR 72249, Dec. 20, 2007, unless otherwise noted.

§ 62.60 Termination of designation

Designation will be terminated upon the occurrence of any of the circumstances set forth in this section.

(a) *Voluntary termination.* A sponsor notifies the Department of its intent to terminate its designation voluntarily and withdraws its program in SEVIS via submission of a "cancel program" request. The sponsor's designation shall terminate upon submission of such notification. Such sponsor may apply for a new program designation.

(b) *Inactivity.* A sponsor fails to comply with the minimum program size or duration requirements, as specified in § 62.8 (a) and (b), in any 12-month period. Such sponsor may apply for a new program designation.

(c) *Failure to file annual reports.* A sponsor fails to file annual reports for two (2) consecutive years. Such sponsor is eligible to apply for a new program designation.

(d) *Failure to file an annual management audit.* A sponsor fails to file an annual management audit, if such audits are required in the relevant program category. Such sponsor is eligible to apply for a new program designation

Department of State

§ 62.70

upon the filing of the past due management audit.

(e) *Change in ownership or control.* An exchange visitor program designation is not assignable or transferable. A major change in ownership or control automatically terminates the designation. However, the successor sponsor may apply for designation of the new entity, and it may continue to administer the exchange visitor activities of the previously-designated program while the application for designation is pending before the Department of State:

(1) With respect to a for-profit corporation, a major change in ownership or control is deemed to have occurred when one third (33.33%) or more of its stock is sold or otherwise transferred within a 12-month period;

(2) With respect to a not-for-profit corporation, a major change of control is deemed to have occurred when 51 percent (51%) or more of the board of trustees or other like body, vested with its management, is replaced within a 12-month period.

(f) *Non-compliance with other requirements.* A sponsor fails to remain in compliance with Federal, State, local, or professional requirements necessary to carry out the activity for which it is designated, including loss of accreditation, or licensure.

(g) *Failure to apply for redesignation.* A sponsor fails to apply for redesignation, pursuant to the terms and conditions of § 62.7, prior to the conclusion of its current designation period. If so terminated, the former sponsor may apply for a new program designation, but the program activity will be suspended during the pendency of the application.

§ 62.61 Revocation.

The Department may terminate a sponsor's program designation by revocation for cause as specified in § 62.50. Such sponsor may not apply for a new designation for five (5) years following the effective date of the revocation.

§ 62.62 Termination of, or denial of redesignation for, a class of designated programs.

The Department may, in its sole discretion, determine that a class of des-

ignated programs compromises the national security of the United States or no longer furthers the public diplomacy mission of the Department of State. Upon such a determination, the Office shall:

(a) Give all sponsors of such class of designated programs not less than thirty (30) days' written notice of the revocation of Exchange Visitor Program designations for such programs, specifying therein the grounds and effective date for such revocations; or

(b) Give any sponsor of such class of designated programs not less than thirty (30) days' written notice of its denial of the sponsor's application for redesignation, specifying therein the grounds for such denial and effective date of such denial. Revocation of designation or denial of redesignation on the above-specified grounds for a class of designated programs is the final decision of the Department.

§ 62.63 Responsibilities of the sponsor upon termination or revocation.

Upon termination or revocation of its program designation, a sponsor must:

(a) Fulfill its responsibilities to all exchange visitors who are in the United States at the time of the termination or revocation; and

(b) Notify exchange visitors who have not entered the United States that the program has been terminated or revoked, unless a transfer to another designated program can be obtained.

Sponsors shall update the actual and current U.S. address information for participants within 21 days of being notified by a participant of a change in his or her address. A sponsor's failure to update the actual and current U.S. address information within 21 days of receipt may be grounds for revocation of their Exchange Visitor Program status. Sponsors shall report a U.S. mailing address, *i.e.*, P.O. box address, in those limited circumstances where mail cannot be delivered to the current and actual U.S. address. If a U.S. mailing address is reported to SEVIS, sponsors shall also maintain a record of the actual and current U.S. address, *e.g.*, dorm, building and room number, for that exchange visitor.

(c) *Notification to program participants.* Sponsors shall notify all participants in their exchange visitor program and accompanying spouse and dependent children that any change in the U.S. address must be reported to the sponsor within 10 days of such change. (b) Responsible officers and alternate responsible officers shall secure their SEVIS logon IDs and passwords at all times.

(1) At no time and under no circumstances are SEVIS logon IDs and passwords to be shared with anyone, either on a transitory or permanent basis.

(2) Sponsors for whom the responsible officer or alternate responsible officers have been found to have willfully or negligently violated the requirements of this section will be subject to sanctions as set forth in § 62.50(a)(2).

§ 62.72 Staffing and support services.

(a) Sponsors shall appoint a responsible officer and may appoint up to ten (10) alternate responsible officers to adequately administer their exchange visitor program to fulfill the duties set forth in § 62.11.

(1) The Department may limit the number of alternate responsible officers appointed by the sponsor at its discretion.

(2) The Department reserves the right to withdraw the appointment of a responsible or alternate responsible officer at its discretion.

§ 62.75 Extension of program participation.

(a) A sponsor may extend an exchange visitor's participation in the Exchange Visitor Program up to the limit of the permissible period of participation authorized for the specified program category by entering a new end program date and an optional comment—all other information collected on a DS-2019 will be automatically completed by SEVIS.

(1) A sponsor extending the program of an exchange visitor who is not currently listed in the SEVIS database is required to create a record for the exchange participant (and the accompanying spouse and any dependents as a "continuing exchange visitor". In creating the exchange visitor's SEVIS record, the sponsor shall issue the exchange visitor (and the accompanying spouse and any dependent children) a duly executed Form DS-2019 reflecting such extension.

(3) Submit written supporting documentation and the required non-reimbursable fee to the Department within 30 calendar days of the SEVIS submission date.

§ 62.76 Transfer procedures.

(a) Program sponsors may, pursuant to the provisions set forth in § 62.42, permit an exchange visitor to transfer from one designated program to another designated program. Transfers will not extend the maximum duration of participation for the category in which the exchange visitor is currently participating.

(b) Current sponsor and transfer sponsor shall communicate appropriately to ensure an uninterrupted transfer, continuous status of the exchange visitor and proper change of address reporting and shall utilize the provisions of this section to effect such transfer.

(1) SEVIS-to-SEVIS transfer. When both the transfer and current sponsors are enrolled in SEVIS, a transfer is enacted as follows:

(i) The nonimmigrant shall notify the current sponsor of the intention to transfer.

(ii) Upon verification of the current status and eligibility to transfer by the transfer sponsor, the current sponsor shall update the exchange visitor's record by processing a "transfer out" in SEVIS. The current sponsor must enter the name and program number of the transfer sponsor and the effective date of transfer. The "transfer out" process gives the transfer sponsor access to the SEVIS record of the exchange visitor (and accompanying spouse and any dependent children).

(iii) The transfer sponsor shall initiate a "transfer in," issue a Form DS-2019 for the exchange visitor (an accompanying spouse and any dependent

children), and advise the exchange visitor of the effective date of transfer.

(iv) The exchange visitor shall report to the transfer sponsor in a manner and at a time specified by the transfer sponsor, and shall provide updated U.S. address information.

(v) The transfer sponsor shall validate the exchange visitor's participation in its program within 30 calendar days of the effective date of transfer and update the exchange visitor's current U.S. address.

(i) The nonimmigrant shall notify the current sponsor of the intention to transfer.

(ii) Upon verification of current status and eligibility to transfer, the transfer sponsor shall create a Form DS-2019 to enact a transfer and will send the Form to the current sponsor to acquire the written release of the exchange visitor by obtaining a signature in Section 8.

(iii) Upon receipt of the Form DS-2019 with signature, the transfer sponsor shall record the effective date of transfer; the date, name and title of person who signed the release; the name and program number of the current sponsor. The transfer sponsor shall print a Form DS-2019 for the exchange visitor, and advise the exchange visitor of the effective date of transfer.

(iv) The exchange visitor shall report to the transfer sponsor in a manner and at a time specified by the transfer sponsor and shall provide updated U.S. address information.

(v) The transfer sponsor shall validate the exchange visitor's participation in its program within 30 calendar days of the effective date of transfer and update the exchange visitor's current U.S. address.

(3) SEVIS to Non-SEVIS transfer: When the transfer sponsor is not enrolled in SEVIS and the current sponsor is a SEVIS-enrolled sponsor, a transfer is enacted as follows:

(i) The exchange visitor shall notify the current sponsor of the intention to transfer.

(ii) Upon verification of current status and eligibility to transfer, the

transfer sponsor shall create a non-SEVIS Form DS-2019 and submit it to the transfer sponsor for the release of the exchange visitor by acquiring a signature in Section 8 of the Form.

(iii) The transfer is required to update the exchange visitor's SEVIS record by recording the effective date of transfer; name and program number of the transfer sponsor; and, name of the responsible officer/alternate responsible officer of the transfer (non-SEVIS) sponsor requesting the transfer as noted on the four-color, four-page paper Form DS-2019.

(3) The responsible officer must submit the official request along with the required supporting documentation justifying the reinstatement and the required, non-reimbursable fee (refer to § 62.90-Fee) to the Department within 30 calendar days of the SEVIS submission date.

(4) The Department will review the request. If approved, the Department will enter the approval in SEVIS, thereby opening the file so that the responsible officer may print a Form DS-2019. How is the sponsor going to know they received an answer to their request? The Department's approval is required before a Form DS-2019 can be printed. What happens if the request is denied?

(b) An exchange visitor (and the accompanying spouse and any dependent children) who failed to submit a change of current U.S. address as required under § 62.63 is in violation of the Exchange Visitor Program regulations

Department of State

Pt. 62, App. B
